

Our History

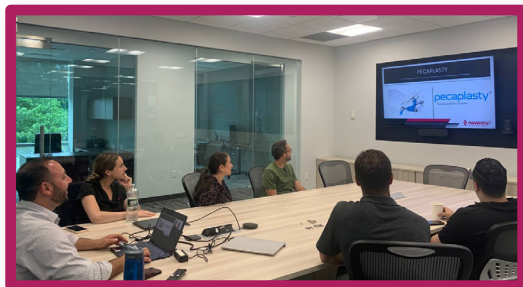

Novastep is managed by an experienced team of executives from Stryker Orthopaedics, Wright Medical, Integra LifeSciences, and several start-up orthopedic companies.

Our Mission

Novastep is dedicated to helping our foot and ankle customers improve outcomes and provide better healthcare by advancing our technologies and innovative medical solutions.

Our Commitment to Innovation

At Novastep, we focus exclusively on designing, developing and commercializing products to treat conditions that affect the bones and joints of the foot and ankle, as well as empowering the voice and performance of foot & ankle surgeons. We are Your Foot & Ankle Company.

Surgeon Visitation Program

The Novastep Experience

The Novastep Surgeon Visitation Program (SVP) is an exclusive opportunity for foot & ankle surgeons to enjoy a first-class experience at the headquarters of Novastep USA, located in the New York City metropolitan area.

During your visit:

Learn, connect, and share foot & ankle knowledge with the common goal of improving patient care.

Spend a full day with surgeons, senior Novastep leadership, and R&D personnel.

Join our knowledgeable product specialists in our new cadaveric bioskills lab, training on the latest innovation at Novastep. Our marketing experts will share product design rationales, techniques, and tips.

Tailored To You

Receive high-level training from industry experts and participate in product discussions.

Learn about our innovative products while touring our warehouse at Novastep headquarters.

Meet Novastep leadership and build relationships with our team.

Tailor the program to fit your needs from the product focus, to the days/times that fit your schedule.

Experience our new bioskills lab using Novastep products.
